## ***"JESUS, OUR EVERYTHING"***

*"Moses, take this message to Pharaoh! Tell him this for me, Moses. Tell him to 'Let my people go, so they can worship me.' I am going to set my people free, Moses. Tell Pharaoh that for me."*

*Worship is something God's people do in spontaneous response to His presence and what He's done for them. Imagine the worship that took place in Egypt when God's people were at last set free from Pharaoh's bondage! As with the Israelites, God can free us from whatever it is that is "keeping" us from worship.*

*Whatever is oppressing you or has broken YOUR spirit, whatever has driven a wedge between you and the God you were created to worship, He wants to free you from it today. The Lord, your God, can speak to whatever it is that is keeping you captive. His words are the same today as they were back in Egypt: "Let my people go, so they can worship me!"*

Mike and Sharon Hanson, from Southern California, are our guest speakers for the weekend. Through their personal stories and song, you'll discover that Jesus IS EVERYTHING you'll ever need in every season of your life. Welcome, Mike and Sharon. We are so thankful that you've joined us for this very special weekend. God bless you as you share your love of Jesus with us.
