## CHURCH FAMILY FINANCES

---

*Dear Church Family and Friends,*

*Thank you for your faithfulness in tithes and offerings. This part of our relationship with Jesus is unique and significant. As we open our checkbook, there is a conscious decision to respond to His love and support God's work. When we give, it sinks in a little deeper that we are partners in His ministry and that our relationship is practical and related to life. Thank you for your faithfulness. In this month's report, I am going to highlight a few areas of concern and need.*

*Pastor Brownfield*

## TITHE REPORT

Total tithe for May was \$35,632. Total year-to-date is 167,413, which is \$2,251 ahead of last year. The Hawaii Conference's goal is 4% increase per year for each church in order to cover projected conference-wide ministry needs. When we tithe faithfully, the work in Hawaii is blessed in each church and all over the State.

## CHURCH BUDGET

May "Church Budget" income was \$7,832. Monthly need is \$10,706. We are behind \$10,042 so far this year. This is an area of concern. We need to keep up with our Church Budget to fund church operations. If you do not do so yet, would you consider giving a regular percentage of your income to the Church Budget each month? I have been doing this for years as part of my relationship with God and my local church. Giving to the Church Budget means that you are participating as part of the church family in the expenses of your church home. Thank you so much.

## FOCUS ON PROJECTS AND FUNDS

### May 31 Balance

Audio Visual and Media Upgrade – Two sanctuary projectors purchased; still needed: two screens (price unknown), 4 powered stage monitors (\$2,000), HDMI mixer and projector remote (\$2,000)	-\$9,431
Worthy Student Fund	-\$4,268
Kono Hall Renovation	-\$4,406
Camp Homelani	-\$1,133

## ELECTRICAL OUTAGE & AIR CONDITIONING UPDATE

A few weeks ago, our main breaker box burned out causing parts in both air conditioners to also fail. The breaker box was 65 years old and underpowered for current and future needs. We have hired an electrical engineer to redesign our electrical system to handle the increased load. When his plans are finished, we will get estimates for the work.
